Try some of the worksheet activities if they have been sent to you.

Can you find the words that are spelled differently in our use of English?

Look carefully at the words on each page!

Count forwards from 100-150 in ones.
Count forwards from 100-400 in tens.
Count forwards from 50-150 in twos.
Count forwards from 50-150 in fives.

Count backwards from 150-100 in ones.
Count backwards from 400-100 in tens.
Count backwards from 150-50 in twos.
Count backwards from 150-50 in fives.

Play <https://www.worldbookonline.com/wbel/#!/activities/ac000039?category=paintnumber>

Write out the Addition Tables +2
Write out the Subtraction Tables -2

Play the game Counting Caterpillar or Helicopter Rescue (Find a Number In Between)
<https://www.topmarks.co.uk/Search.aspx?q=counting%20caterpillar>
<https://www.topmarks.co.uk/learning-to-count/helicopter-rescue>

Place Value

Play the game

<https://www.topmarks.co.uk/Search.aspx?q=shark%20numbers>

Read time on a clock at different times throughout the day.

Play the game Hickory Dickory Clock

<https://www.topmarks.co.uk/Search.aspx?q=Hickory%20Dickory>

Draw a timetable showing what someone living in a warm country might do at different times during the day. Write the times in analogue and digital time.

Fifth and Sixth Class Maths

CJ Fallon are granting access to their textbooks on their website.

If you have access to Busy at Maths, please try the topic of 2D Shape for the next two weeks

5th Class Busy at Maths 5 Chapter 12 **2-D Shapes**

Busy at Maths 5 Shadow Book Chapter 22 **2-D shapes**

6th Class Busy at Maths 6 Chapter 10 **2-D Shapes**

Busy at Maths 6 Shadow Book Chapter 10 **2-D Shapes**

Other ideas:

- Create your own shape problems for someone else in your household to solve!
- Timed Challenge: Ask them to find, list and draw shapes in the house in a given time period.
- Create your own board or card game based on 2-D shapes.

If you have been watching RTE School Hub, Múinteoir Ray asked pupils to draw a map of their sitting room. You could draw a map of a room in your house, using as many 2-D shapes as possible.

Or you could design your dream home, using tessellating 2-D shapes.
