

We are coming towards the end of the school year and the feedback we are getting is that many children are finding it difficult right now so this week we are giving them an art theme. Hopefully they will enjoy it and pick and choose what activities ye would like to do ! As always we would love to see photos of your creations.

School Challenge this week: Create outdoor art, using bits of nature from your garden or maybe in the sand on a beach visit, be as creative as you like! Please email photos to the class teacher by Thursday for the paper/ school website.

1. Using a circular shape, draw a variety of circles on a page. The more they overlap the better. Using bright colours, colour each of the segments.

2. Make a shape monster. Draw and cut out different shapes and see how you can put them together to make different shape monsters.

3. Find some items in nature that could make an interesting picture. These can be anything you would find outside. You could make a portrait or any other type of picture you wanted.

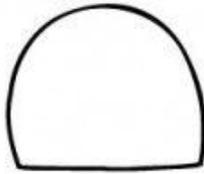

4. If you have paint at home this is a lovely idea. Get some pasta and paint it all different colours. Thread some string through it and it makes a lovely necklace or bracelet.

5. DIRECTED DRAWING

Here are some great step by step drawing activities. Lots more can be found if you google 'directed drawing for kids' or by going onto this link <https://www.youtube.com/user/ArtforKidsHub>

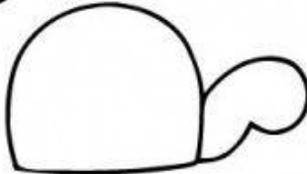

I Can Draw a Turtle!

1

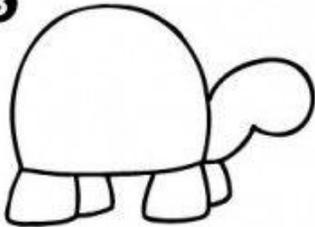

Draw the turtle's shell.

2

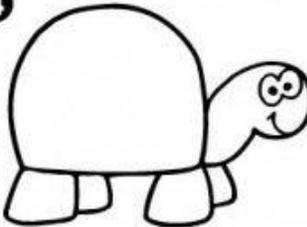

Draw the head and neck.

3

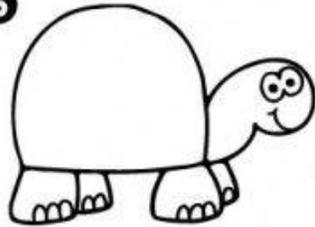

Draw four feet.

4

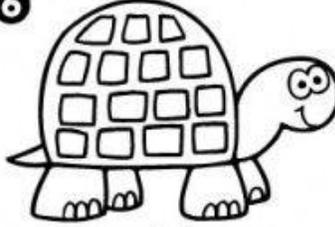

Draw a cute face.

5

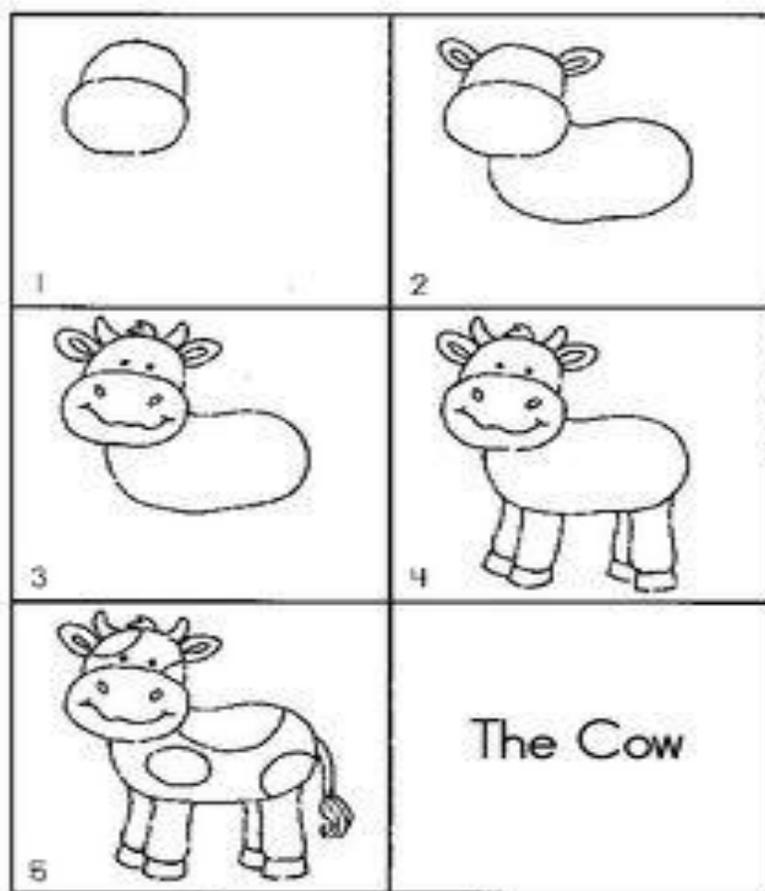

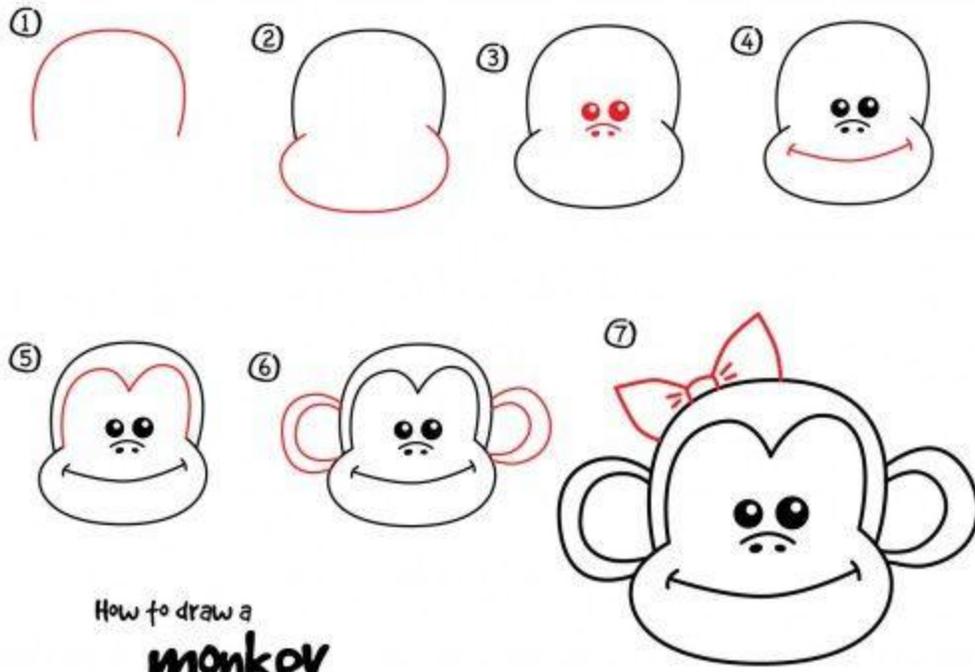

Draw the toes.

6

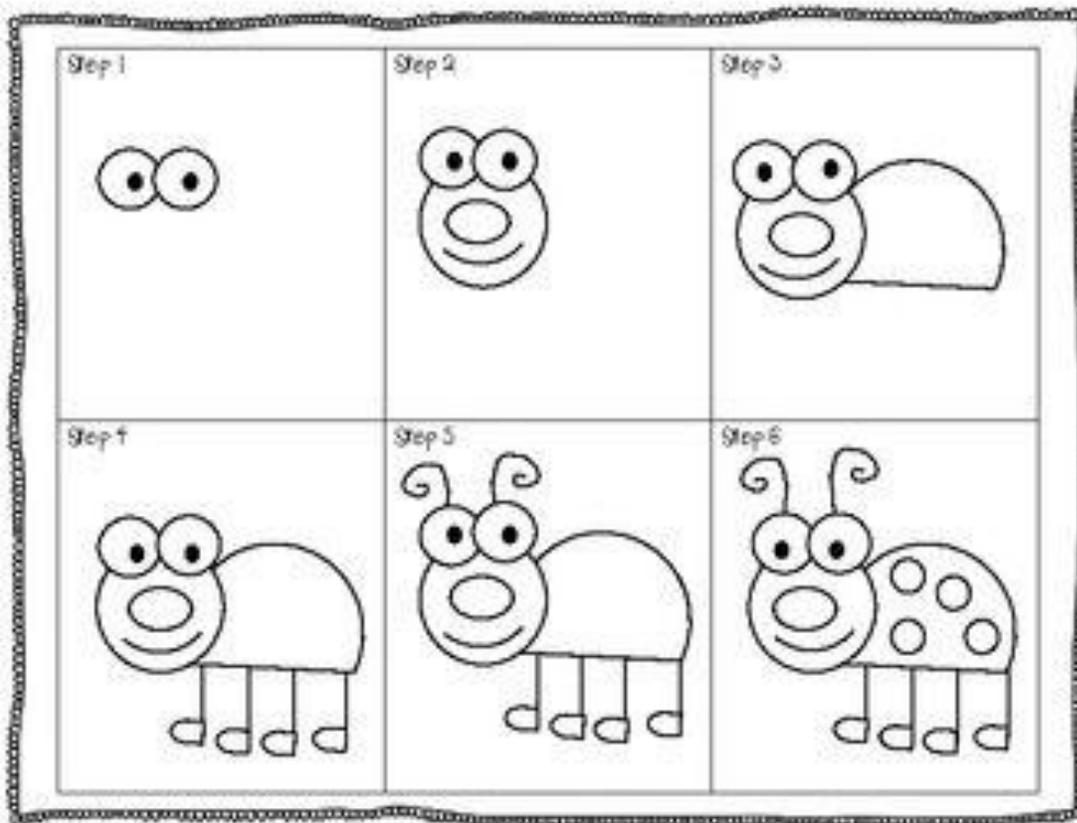

Draw designs on the turtle's shell.

How to draw a
monkey

6. Setting up a number of items you have at home and drawing them can be a very fun activity.

- Design and made a garden scarecrow from junk materials.
- Make your own DIY painted flower pots <https://www.projectswithkids.com/diy-painted-flower-pots-kids/>
- <https://www.youtube.com/watch?v=zY1269CaCFk> how to draw a tulip in a pot.
