

It's the last week of school, and you've worked so hard! It is time you have some fun! Choose four activities a day in any order you wish! HAVE FUN!! ☺

## Tic Tac Toe Activities Last week of school!

June 22<sup>nd</sup> – 26<sup>th</sup>, 2020

Choose one of your favourite characters from a movie/book. Write a letter to your fans telling them about your life.	Get an empty jar, tear up small pieces of paper and write on each one, things that you are grateful for. Add to it as often as you like. Design a pretty label for it!	Nature hunt: find objects in nature. Make a table with categories like: small, big, rough, smooth, blue, red etc. and find an object in nature to match your grid.	Look up a recipe for something you have always wanted to bake, and with your parents' permission and help, bake it!	Make a list of all your favourite things! e.g. colour, food, TV programme, activity, sport etc. Interview friends/family and complete for them too!
Play 'I spy' as gaeilge!!! 'Feicim le mór shúilín beag, rud éigin a tosaíonn le.....a/b/c'	Make a list of all the things that makes you proud to be you!	Write a letter to a friend or family member that you have not seen since before lockdown... and post it/email it to them!	Feelings: Keep a diary of how you are feeling: when school first closed in march, now, about going back to school in September.	Outside time! Enjoy the fresh air, play a sport, jump on your trampoline, read your book, have a nap!! Just enjoy the fresh air for at least 30 minutes.
Build a fort (outside or inside!)	Design your dream bedroom. Draw out the design and list all of the contents. It's your DREAM room so include whatever you want!	Alphabet hunt: Find one object beginning with every letter of the alphabet around the house.	Take a video of you reading a short story or a children's book and send it to someone that you think will enjoy it.	Hide five items around your house. Create a scavenger hunt for someone else to find them! Don't make the clues too easy!!
Help out with chores at home: gardening, dishwasher, making beds, folding clothes, making a shopping list, walking the dog etc.	Turn off all the lights, get a torch, read one of your favourite books and when you're finished try to make some fun shapes with shadows on the wall.	Make a 'Covid time capsule'. List all the important information about you and put it into an envelope to keep somewhere special.	Get a deck of cards. Turn over a card, whatever number it lands on, skip count from that number for as long as you can e.g. 7, 14, 21, 28, 35.... Repeat & invite others to play!	Paper airplane challenge. Each family member is given one piece of paper and must make a paper airplane. All stand in a line and throw together. Whose plane goes the farthest?!
